Joe Forter, probably better known in this community as "Frenchy," who for some time past has been in the employ of White & McCune, has re-

turned to the city and will soon be on the job again. "Frenchy" reports a pleasant trip to Raton and vicinity, returning Thursday evening.

Mrs. P. Stuart, of 612 Main, was the winner of a dinner set at the Las Vegas Mercantile Co. this afternoon. Are you saving your tickets? Come next Friday at 2:30.

The Optic was misinformed last evening in the matter of the sale of the Lacey cottage on Fourth street, the property being purchased by Conductor J. M. Lesney, and not by Mr. Morrison.

The probate court will convene on Monday, August 16th, when a great deal of important business will be taken up. The matter of the estate of the late George Rue will be taken up at this session of the court.

Reports coming into the city from the vicinity of Chaperito show that the general condition of the country down there is very good and there is yet much hope for good crops from Chaperito and vicinity.

Misses Kate and Lena Hoffman, aunts of Mrs. C. M. Bernhardt, arrived in the city last evening on belated No. 7 from Louisville, Ky., and will remain in the city for a month as the guests of Mr. and Mrs. Bernhardt.

A marriage license has been granted to Nicanora Garcia and Miguel Hernandez, both parties being residents of Manueltas, and both eighteen years of age. The groom-elect is a prosperous young farmer in the lower country.

Those unfortunates who answer roll call on the city chain gang each morning are still busy cutting weeds and improving generally the condition of the streets. If the residents in the different parts of the city would co-operate with Chief Coles in his endeavor to clear out the usual summer eye-sores it would greatly improve the looks of the streets and materially help sanitary conditions.

A movement is under way to establish a mail delivery for the dry farmers on the mesa. In the event of the scheme being carried out, it is the intention to establish a star box delivery, as there are fully thirty-five families between Las Vegas and Casa Grande who would be benefited by this move, which certainly is a very wise and much needed one and it is hoped that those promoting the scheme will be successful.

The automobile stage line between Las Vegas and Santa Rosa has made two successful trips, the second one being completed when the auto, arrived in this city yesterday afternoon at 2 o'clock. Many passengers are taking advantage of this fine service, as it is such a marked improvement over the horse stage line and the mail service between this city and Anton Chico, Casaus and Colonias is much better both for local merchants and those located in the lower country.

A game of baseball between the all-star American team of the East side and the New Mexicans from the West side is scheduled to take place Sunday afternoon at 2:30 o'clock at the East side ball grounds. It is to be hoped that the teams will not disappoint the baseball fans who always gather to witness these contests as was the case last Sunday when a large crowd assembled at the grounds but no ball warrior came forth. Much interest is being taken in the team that has been organized to represent Las Vegas and its attempt to get together and practice and have games is the right kind of dope.
